

## Weekly report (2017-11-06 ----- 2017-11-12)

Nov 12<sup>th</sup>, 2017, 19:58 pm

### 1. Progress

Table 1. Progress

Tasks	IN PROGRESS	Date
statistic charts survey	read the collected papers	11.25
dimensionality reduction	Deepwalk	11.30
highway project		12.10
*2Vec survey	read papers	12.30

### 2. Work

This week, I read the papers I collected papers before and made some preparations about the survey.

Also, I talked with Minfeng Zhu and planned to implement deepwalk and to see its effects on the dataset of a dynamic graph.
